

SHIVANI TEKUMUDI

UI/UX DESIGNER AND DEVELOPER

Visakhapatnam, Andhra Pradesh | shivani9668@gmail.com | +91 9652477918

SUMMARY

Creative UI/UX Designer & Frontend Developer with 3+ years of experience designing and building responsive, user-centric digital experiences. Skilled in transforming ideas and Figma designs into functional, visually appealing web interfaces using React.js, Next.js, Tailwind CSS, and Material-UI. Passionate about combining design thinking, usability, and clean code to create products that are both beautiful and performant.

PROFESSIONAL SKILLS

Design & Prototyping: Figma, Wireframing, Prototyping, Product/UI Design, Usability Testing Other

Front-End Development: React.js, Next.js, JavaScript (ES6+), TypeScript, HTML5, CSS3

UI & Styling: Material-UI (MUI), Tailwind CSS, Bootstrap, Sass

State Management: Redux Toolkit, Context API, Zustand

APIs & Integration: REST APIs, Axios, JWT, OAuth2 (basic)

Testing & Optimization: Jest, React Testing Library, Performance Optimization, Responsive Design

Tools & Methodologies: Git, GitHub, Agile/Scrum, React Hook Form

PROFESSIONAL EXPERIENCE

UI Developer (Contract - Project-Based) — My Plot pic

Mar 2024 - Present

- Designed and implemented product interfaces, translating Figma designs into responsive, interactive, and pixel-perfect web pages using React.js, Next.js, Material-UI, and Tailwind CSS.
- Built reusable UI components and libraries to support scalable frontend architecture. Collaborated with backend teams to integrate REST APIs using Axios, ensuring seamless data flow.
- Applied performance optimization techniques including lazy loading, image optimization, and clean semantic HTML.
- Conducted usability testing and incorporated user feedback to enhance UI/UX. Ensured accessibility, cross-browser compatibility, and adherence to brand guidelines.
- Participated in end-to-end product design, including wireframes, high-fidelity mockups, and user journey mapping for better usability.

Software Engineer — HR Geckos

Nov 2021 - Jan 2024

- Redesigned and developed responsive dashboards, modernizing the interface from JavaScript/jQuery to React.js and Next.js.
- Collaborated with designers and product teams to align UI visuals with UX research and brand guidelines.
- Developed reusable modules such as registration forms, FAQs, and testimonials. Integrated frontend components with backend APIs (PHP + REST APIs) for smooth data handling.
- Collaborated in Agile/Scrum teams and contributed to requirement analysis, design, and deployment.

EDUCATION

Bachelor of Technology in Computer Science & Engineering

2015 - 2019

Pydah college of engineering and Technology
